DESCRIPTION

The Sporttle bottle in RPET holds 500 ml and is designed for everyday use. Its slim cylindrical profile and removable fruit infuser make it practical for the office, sport or events. Made from RPET, it provides a recycled-plastic option; a built-in carry handle and a leakproof cap with a secure flip-top ensure easy transport and drinking. Dimensions Ø6.5 x 24.5 cm, unisex model.

The cap features a lockable flip opening and an ergonomic spout to minimise spills. The internal infuser detaches for straightforward cleaning and the straight body fits most cup holders. The visible finishes show a transparent construction and details aimed at regular use.
