Travel accessory set including an elastic eye mask (polyester) and a pair of EVA earplugs, presented in a cylindrical paper case. The elastic mask is designed for comfort by adapting to the face, while the earplugs provide simple sound reduction for flights or overnight stays. The compact packaging dimensions make it easy to stow in carry-on luggage.

Suitable for frequent travellers, the set features a minimalist finish and a practical design for use on planes, trains or in hotels. Care is limited to occasional cleaning of the mask and replacing the earplugs when worn.

This personalised travel accessory can be marked by pad printing, digital printing, screen printing for objects, multicolour transfer, DTF printing or flex. Perfect for companies, sports clubs, associations, events and corporate gifts. Minimum order: 150 pieces (colours and sizes combined) — smaller quantities may be possible with additional fees.
