Dimensions	12,5 x 3,5CM
Country of origin	China
Carton	200 pieces

DESCRIPTION

The Buper bottle opener is a slim, lightweight kitchen utensil featuring a stainless steel opener set into a bamboo surface. Its elongated shape provides a comfortable grip and the compact size (12.5 x 3.5 cm) makes it easy to store or distribute at events. The bamboo gives a warm, tactile handle while the stainless steel component delivers the necessary strength for opening bottles. Hand wash only to preserve the bamboo surface.

The clean, understated design incorporates a circular cut-out revealing the steel opener. The visible bamboo edge and finish offer a secure hold and a natural look suitable for hospitality or promotional use. The model is available in several natural wood tones and adapts well as a giveaway or corporate gift.

This bottle opener can be personalised by laser engraving or pad printing. Recommended for companies, clubs, associations and events. Minimum order applies: 100 pieces (colours and sizes combined). We provide a free quote within 24 hours on weekdays and our studio can vectorise your logo.
