DESCRIPTION

The Seattle 3-fold storm umbrella features a metal frame with manual open and close operation and a 190T RPET pongee canopy, folding down to a compact size. It is supplied with a matching tote bag that doubles as a protective sleeve when the umbrella is stored. The set is practical for everyday urban use and easy to carry in the reusable tote with long shoulder straps.

The tote shown has straightforward finishes: neat seams, a boxed base for shape and a zipped compartment that converts into the umbrella cover when not in use. When opened the umbrella provides an approximate 100 cm diameter, giving good single-person coverage in wet weather.

Minimum order quantity: 15 pieces. Customisation techniques available include DTF printing, flex, screen printing on objects and multicolour transfer. Suitable for companies, sports clubs, associations, events and private customers who need a personalised umbrella.
