DESCRIPTION

Rechargeable metal table lamp, model Hierluz, designed for desk or bedside use. Its clean vertical profile pairs a cylindrical head with a tapered stem and round base, measuring Ø8.9 x 21.1 cm. The lamp houses a Li-Ion battery with a USB port and features 12 LEDs, touch control and three lighting modes to adapt brightness to your needs. Suitable for professional workspaces as well as home use; wipe clean with a soft cloth.

The metal finish delivers a contemporary, durable look and a stable base as shown in the photo. The compact head and tactile control make daily use effortless. Available in several colour options such as Matte Silver, Black and Gold.

This custom desk accessory with your logo can be marked by laser engraving, pad printing, digital printing or doming depending on the branding area and desired finish. Recommended for companies, clubs, associations, events and corporate gifts. Minimum order: 6 pieces (colours and sizes combined).
