## DESCRIPTION

Maldi sports bag in recycled RPET-cotton, built for everyday use. Its cylindrical cut and dimensions 49 x 26 x 24 cm provide generous capacity, while webbed carry handles and an adjustable, removable shoulder strap make it easy to carry. The 60% recycled cotton / 40% recycled polyester blend gives a textile-like feel and reliable performance in regular use. Care is straightforward with spot cleaning as needed.

The bag features a full-length zip closure and reinforced stitching at stress points; the shoulder strap attaches with metal clips and can be removed for a compact hand-held option. Its flexible structure accommodates sports kit, weekend gear or association materials without fuss.

Customize this personalised sports bag using screen printing on objects, multicolour transfer, DTF printing or flex (heat transfer vinyl). Suitable for companies, sports clubs, associations, events and private customers. Minimum order: 20 pieces (colours and sizes combined); free quote within 24 hours on weekdays and an in-house design studio can vectorise or retouch your logo.
