DESCRIPTION

The Carrie foldable shopping bag is a unisex design sized 38x40 cm, made from an RPET-cotton recycled blend (pre-consumer). It packs away into its small drawcord pouch for easy carrying and storage. The fabric is soft yet sturdy, suitable for everyday use; the item may shrink slightly after printing.

Visible stitching reinforces the shoulder openings and the neckline is neatly finished, giving a clean, functional look. Its flat profile keeps it compact when folded and the pouch prevents misplacing the bag when not in use.

This personalised shopping bag can be customised using DTF printing, flex, screen printing (object) and multicolour transfer. Ideal for companies, sports clubs, associations, events and individuals looking for an eco-friendly promotional or gift item. Minimum order: 75 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; standard production, studio service for logo work, collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
