DESCRIPTION

Shopping bag Carrie Colour in pre-consumer recycled cotton and RPET (70% recycled cotton, 30% RPET), size 38x40 cm. Simple, unisex cut with integrated handles and a foldable design that packs into a small pouch with a drawcord. Lightweight fabric (140 g/m²) with a soft appearance, intended for everyday use such as shopping or promotional distribution. Note: this item may shrink after printing.

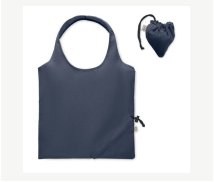

The visible construction features reinforced stitching at the handles and a flat base suitable for light loads. There is no closure, which makes folding into the included pouch straightforward — practical for event giveaways or retail use.

The personalised shopping bag can be printed using screen printing, multicolour transfer, DTF printing or flex. Minimum order: 75 pieces (colours combined). Suitable for companies, shops, clubs, associations and events; our graphic studio can vectorise or retouch your logo for production.
