DESCRIPTION

Unisex ballpoint made from recycled aluminium, designed for everyday office use and events. Measuring Ø1 x 14.8 cm, its slim cylindrical shape gives a steady grip; the top features a touchscreen stylus and a push mechanism to deploy the blue ink refill. The metal finish is smooth and easy to wipe clean.

The pen includes a knurled grip area near the top and a sturdy metal clip for attaching to notebooks or pockets. Chrome details on the tip and ring provide a professional look, and the integrated spinner function offers an anti-stress element. Lightweight and well balanced for extended writing sessions.

Customisation available by Laser engraving and Pad printing. This personalised pen suits companies, clubs, associations and promotional events requiring larger runs. Minimum order: 250 pieces (colours and sizes combined). Our studio can retouch or vectorise your logo; ask for a free quote on weekdays.
