Sports water bottle RPET 1L

Ref. 2489

Reference	2489
Composition	RPET
Material	RPET
Average weight	0.16
Dimensions	Ø7 x 28CM
Country of origin	China
Carton	40 pieces

DESCRIPTION

This RPET sports bottle holds 1L and is designed for everyday use: a slim profile (Ø7x28cm), soft silicone mouthpiece with integrated straw, one-handed flip lid with safety lock and a carrying strap. Its leak-proof design and hourly volume markings help users track water intake. The RPET construction keeps the bottle lightweight and portable.

Visible details include a wide screw collar for secure closure and a robust fabric strap attached to the body for easy transport. Functional features — straw, soft mouthpiece and safety closure — simplify use and maintenance; the narrow diameter fits most cup holders.

This personalised bottle can be customised from a minimum order of 20 pieces (colours and sizes combined); smaller quantities are possible with additional fees. Available decoration techniques: pad printing, digital printing, doming, multicolour transfer, DTF printing, flex and screen printing on objects. Suited to companies, sports clubs, associations, events and promotional gifts.
