DESCRIPTION

Made from stoneware, this ceramic mug features a straight cylindrical profile and an ergonomic handle for everyday use in offices or at events. Its 170 ml capacity and compact dimensions (Ø6.8 x 8 cm) suit shorter hot drinks. The visible unglazed base highlights the natural stoneware and aids grip while maintaining a clean aesthetic. personalised mug

The mug is stackable for convenient storage in kitchens or meeting rooms. A smooth upper surface provides a clear area for printing, while the textured base creates a subtle contrast. Follow manufacturer care guidance for normal washing and use. Minimum order: 14 pieces (colours and sizes combined).

We can personalise this mug using screen printing, pad printing or sublimation to apply your logo or artwork. Ideal for companies, clubs, associations, schools and event giveaways — our design studio can retouch or vectorise your logo before production.
