DESCRIPTION

The Burgus A4 notepad is designed for meetings and business travel: a polyurethane cover, a lined A4 pad of 20 sheets and practical dimensions (23 x 31 x 2 cm). This unisex model includes multiple internal compartments for business cards, sticky notes and a phone, plus an elastic pen loop. A magnetic closure keeps everything secure and easy to handle.

Inside you'll find dedicated pockets for USB sticks, cards and a smartphone, helping to keep essentials organised. Visible stitching reinforces the cover and the flat layout allows the pad to lie open steadily on a desk.

The Burgus is ideal for companies, clubs, associations, schools and events: personalised notepad using doming, laser engraving, screen printing on object, multicolour transfer, DTF printing or flex. Minimum order: 5 pieces (colours and sizes combined). Our artwork studio can retouch or vectorise your logo; free quote within 24 hours on weekdays, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
