Ref. 2497

Reference	2497
Composition	PET
Material	PET
Average weight	0.014
Dimensions	Ø10 CM
Country of origin	China
Carton	500 pieces

DESCRIPTION

The Polly floating keyring bracelet is designed to be worn on the wrist: approximate wrist circumference 22 cm and foam diameter Ø10 cm. Made from PET, the tube-shaped construction gives a lightweight, buoyant feel and the braided surface visible in the photo provides comfortable wear; it can be cleaned with mild soapy water.

The piece features a cylindrical metal clasp and a sturdy split key ring for securing keys and small items. The metal fittings minimise wear at contact points and the overall design is practical for everyday use. The product is available in several colourways, for example black, yellow or turquoise, and its proportions suit regular handling.

This personalised keyring is customisable using pad printing (tampography). It is intended for companies, sports clubs, associations, events and promotional gifts. Minimum order: 250 pieces (colours and sizes combined); free quote within 24 hours on weekdays and collection from our Evere workshop or delivery in BE/FR/LU.
