DESCRIPTION

Multi-tool pen in recycled aluminium with a tubular profile, designed for practical everyday use. Compact (12.9 x Ø1.58 cm), it integrates a small lamp at the tip and a lightweight metal body that gives a secure feel in the hand. Suitable as a corporate giveaway, trade show accessory or practical promo item where durability and recycled material are desirable.

The tool includes six interchangeable bits (three flat and three Phillips) and is supplied with four LR41 button batteries for the lamp. A metal clip allows attachment to a pocket or notebook and knurled sections improve grip when turning screws. Its compact dimensions make it easy to store and carry.

Customisable by laser engraving or pad printing, this item is ideal for companies, clubs, associations and events seeking a useful, eco-conscious promotional object. Note: this promotional item has a minimum order quantity of 150 pieces (colours combined); smaller quantities are possible with additional fees. Free quote within 24 h on weekdays, pickup at our Evere workshop or delivery in Belgium, France and Luxembourg.
