DESCRIPTION

Double-wall tumbler made of recycled stainless steel, 350 ml capacity, designed to help maintain beverage temperature. Straight body with a slightly tapered base and a wood-effect handle for a comfortable grip. The tumbler is leak-resistant and fitted with a sliding opening in the lid for easy drinking. Dimensions: 11 x 14 cm.

The double-wall construction provides insulation and the integrated handle makes it easy to carry. The transparent sliding lid reduces spills, making the tumbler suitable for daily use, coffee breaks and outdoor events. Available in several colours, for example Black and White.

Personalise this personalised tumbler using laser engraving, screen printing for objects or pad printing. Ideal for companies, sports clubs, associations, events and gifts for individuals. Minimum order: 20 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and a graphic studio is available to prepare or vectorise your logo.
