Ref. 2501

Reference	2501
Composition	Wood
Material	Wood
Average weight	0.02
Dimensions	10 x 7.5CM
Country of origin	China
Carton	200 pieces

DESCRIPTION

Wooden Easter egg designed for children as a writing and colouring activity. Model Dregg, made from wood, size 10 x 7.5 cm: comfortable to hold and easy to decorate. The set includes four felt-tip pens so children can colour the egg themselves. Care is straightforward: avoid prolonged soaking and clean with a dry or slightly damp cloth if needed.

The product image shows the egg with a drilled hole and cord for hanging, plus pre-etched decorative patterns that serve as colouring guides. The edges are well defined and the natural wood texture is apparent, making it suitable for craft workshops and group activities.

Customisation options include laser engraving, pad printing (tampography), digital printing and doming. Recommended for companies, clubs, associations, schools and individuals. Minimum order: 100 pieces (colours and sizes combined). This personalised writing and colouring item is ideal for seasonal giveaways, educational kits and event merchandise.
