DESCRIPTION

Clear soda-lime glass cup with a 400 ml capacity, the Sip model features a straight, stackable shape suitable for cold drinks at events, offices or everyday use. Dimensions are Ø8 x 10.5 cm, offering a compact, easy-to-hold profile. The lid seals securely and provides a direct opening; the glass straw is removable for cleaning.

The product contains no textile components and presents a simple silhouette with a snap-on lid and integrated straw system. The lid-and-straw assembly enables spill-reduced, portable use and straightforward storage thanks to the cup's straight walls and stackable design.

Customize this personalised cup by screen printing, laser engraving or pad printing depending on the finish you need. Suitable for companies, clubs, associations, events and private customers looking for a reusable promotional item. Minimum order: 15 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection in our Evere workshop or delivery in Belgium, France and Luxembourg.
