DESCRIPTION

The Kiddo pencil case is a PET (polyester PET) pencil pouch designed for children: compact 21x12 cm dimensions, a rectangular shape and a visible zip closure. It comes with four felt-tip pens and a black-and-white printed panel intended for colouring, making it suitable for school activities, parties and craft workshops. The PET material gives a flexible, wipe-clean surface for easy maintenance.

The pouch features tidy stitching and a metal zip slider that small hands can easily operate. Available in several colourways, including Baby Pink and Royal Blue, it comfortably holds pens, pencils and markers while remaining slim enough to slip into a school bag.

This personalised pencil case can be decorated by screen printing on objects, multicolour transfer, DTF printing or flex, depending on the finish required. Recommended for schools, clubs, associations, promotional events and corporate gifts. Minimum order: 100 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your artwork; free quote within 24 hours on weekdays.
