DESCRIPTION

The Meju writing set is made from recycled paper and is suitable for everyday office, classroom or event use. The tube measures Ø3.6 x 19.5 cm and contains 2 pencils, 1 cardboard-barrel ballpen, 1 wooden pencil sharpener and 1 eraser. The materials are primarily paper and wood, giving a lightweight, natural feel—avoid prolonged exposure to moisture.

The cylindrical tube protects the items and makes the set easy to store or distribute. Components are straightforward and practical: standard pencils, a cardboard ballpen, a wooden sharpener with metal blade and a rectangular eraser. Useful as welcome kits, trade show giveaways, educational packs or office supplies.
