DESCRIPTION

This personalised smartphone pouch is designed for sport and leisure use. The Mobibolsa model is made from recycled cotton (280 g/m²) with a clean finish and lightweight feel suited for everyday carry. The adjustable RPET polyester strap provides comfortable, durable wear. Recycled cotton offers easy care for regular use.

The pouch features a front open pocket for cards or earphones and a main compartment secured by a zip to protect the phone. Functional details such as reinforced stitching and a front elastic loop improve practicality without adding bulk. Compact size 12 x 19 cm; available in several colours, for example black and beige.

Customisable by screen printing (object), multicolour transfer, DTF printing or flex, this pouch is suitable for companies, sports clubs, associations, events and promotional gifts.
