Reference	2520
Composition	Bamboo
Material	Bamboo
Average weight	0.032
Dimensions	100 x 2,8 x 1 CM
Country of origin	China
Carton	200 pieces

DESCRIPTION

The Caboo 60W charging cable is designed for mobile devices and features 2-in-1 Type-C/Type-A inputs with a Type-C output and 2-in-1 pin. Bamboo details on the connectors and central block give a natural look, while the braided sheath visible in the photo improves wear resistance. Measuring 100 cm (100x2.8x1 cm), this item is not a textile.

The visible bamboo central module can act as a cable organiser and the reinforced connector ends increase durability for everyday charging and data transfer. Its construction makes it a practical accessory for desks, bags and travel.

This personalised phone accessory can be customised using digital printing, doming, laser engraving or pad printing. Minimum order: 100 pieces (colours and sizes combined). Suited to companies, sports clubs, associations, events and private customers seeking a branded giveaway. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
