DESCRIPTION

The Strata A5 notebook is a practical notebook for office use and meetings. Its hard cover in 600D RPET protects 160 lined pages (80 sheets) of recycled paper, and the spiral binding allows the book to lie flat for comfortable writing. An integrated smartphone stand holds a phone in landscape orientation for checking notes or joining video calls, and an elastic closure keeps the notebook securely shut. The exterior is easy to care for and the recycled pages are suitable for daily use.

Built for everyday practicality, the notebook features a fabric-like cover finish and reinforced edges around the spiral. Its compact dimensions (14.7 x 1.5 x 21 cm) make it easy to handle, pages turn smoothly and the phone support folds away neatly when not in use.
