DESCRIPTION

The Recarnote A5 notebook is a practical choice for meetings, training and everyday office use. It features a recycled cardboard cover and 160 lined pages (80 sheets) made from recycled paper, offering a lightweight yet sturdy writing surface. Its compact dimensions (14.2 x 0.9 x 20.7 cm) make it easy to carry in a bag or keep on a desk. Store in a dry place to preserve the paper quality.

The spiral binding allows the notebook to lie flat for comfortable writing and makes page removal straightforward when needed. It is available in several colours, for example black, beige or navy, and its simple, professional design suits corporate, educational and association use.

The Recarnote personalised notebook is available from a minimum order of 25 pieces (colours and sizes combined).
