DESCRIPTION

The Ezra vegan lip balm comes in a compact recycled PP case (Ø4x1CM). Formulated to moisturise and protect lips, it includes SPF10 and is dermatologically tested, with a vanilla scent. Its slim, round design slips easily into pockets or bags, making it practical for corporate giveaways, event packs or retail use.

The clam-shell style case provides a smooth, circular area suitable for clear pad printing. The item is offered in several colours — for example Black, Blue or White — and is supplied to the dimensions shown. Note: minimum order for this promotional item = 500 pieces (colours and sizes combined); smaller quantities may be possible subject to additional fees.

Customisation is available by pad printing, well suited to logos and short text. A good choice for personalised cosmetics aimed at companies, clubs, associations, events and private customers; free quote within 24 hours on weekdays and an in-house design studio can vectorise or retouch your logo.
