DESCRIPTION

Compact stationery set (15x21x2.5 cm) made from recycled cardboard, suitable for office use or event giveaways. The cover houses a 70-sheet lined recycled notepad, a pad of sticky notes and page markers; the kit also includes a ballpoint pen with a paper barrel and ABS details, an ABS sharpener, two wooden pencils, an eraser, a 15 cm wooden ruler and a PP protractor. The set is practical and well organised for note-taking and bookmarking.

The flat, insert-style layout keeps items secure for easy transport in a bag or briefcase. The recycled cardboard gives a natural look and requires minimal dry care; pens and pencils are replaceable. Size and contents make it suitable for meetings, trade shows or welcome packs.

This personalised writing set can be customised by digital printing, doming, laser engraving, pad printing or screen printing on objects. Minimum order: 20 pieces (colours and sizes combined). Ideal for companies, clubs, associations, events and private customers — our graphic studio can vectorise or retouch your logo.
