DESCRIPTION

The Libag drawstring bag in RPET offers a practical solution for events, clubs and everyday carry. Its simple, unlined body with a soft PU base provides structure and extra protection from light moisture, while the RPET fabric gives a recycled, lightweight feel. Measuring 40 x 48 cm, it fits documents, a small bottle and personal items. The model is available in several colours, for example Black and Navy.

The bag closes with a polycotton drawcord that also doubles as shoulder straps; the PU-reinforced bottom and corner panels reduce wear where the bag contacts surfaces. Cord ends are knotted for durability. Care is limited to spot-cleaning the PU and gentle washing of the RPET if needed.

Personalise this personalised drawstring bag with screen printing, multicolour transfer, DTF printing, flex or embossing depending on the desired finish. Suitable for companies, sports clubs, associations, schools, events and private customers. Minimum order: 50 pieces (colours combined). Free quote within 24 hours on weekdays; graphic studio available to vectorise or refine your logo.
