DESCRIPTION

Ceramic beaker in stoneware with a 330 ml capacity, suitable for hot and cold drinks. Its straight-sided shape and compact dimensions (Ø8.1 x 11 cm) make it easy to handle; a removable silicone sleeve protects the hand and improves grip, while a PP lid secures the top for takeaway. The smooth ceramic finish and clean lines suit everyday use as well as corporate gifting.

The beaker is offered in several colours (for example Black, White, Grey) and features a simple, sturdy design without unnecessary elements. The sleeve detaches for cleaning and the lid fits securely to reduce spills on the move. The size and grip are practical for coffees-to-go, break rooms and event giveaways.

This personalised ceramic can be decorated by screen printing. Recommended for companies, associations, schools, sports clubs and events. Minimum order: 12 pieces (colours and sizes combined); smaller runs may be possible with additional fees. We provide a free quote within 24 hours on weekdays, a graphic studio to prepare or vectorise your logo, and collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
