DESCRIPTION

Classic paper playing cards sold as a duo set: two 54-card decks presented in a recycled PP case. The compact format (13.8 x 9.9 x 2.3 cm) makes these decks easy to carry and store, suitable for family use, events or giveaways. The recycled polypropylene case protects the cards and wipes clean easily.

The pack includes one red deck and one blue deck with standard numbered faces and court cards. The paper finish provides good handling for everyday play and the rigid case prevents bending, keeping the cards in order when not in use.

Customisation is available by tampography, digital printing or doming on the case. Minimum order: 40 pieces (colours and sizes combined). Free quote within 24 hours on weekdays. Suitable for companies, clubs, associations, events and individuals seeking personalised playing cards.
