DESCRIPTION

Compact and practical, the Cinta tape measure is constructed from ABS with a bamboo detail on the casing. It features a 3 m tape (body 9.6 x 6.3 x 2.3 cm), an integrated spirit level and a set of five removable screwdriver bits — useful for quick checks and small jobs on site. The compact shape fits comfortably in hand and stores easily in a pocket or toolbox.

The housing shows clean lines and a tidy finish; the bamboo panel adds a natural accent without compromising durability. Easy to maintain: wipe with a damp cloth and avoid immersion. This is not a textile item and is intended for everyday use indoors and protected outdoor use.

Personalise this personalised tools and torches item using laser engraving, pad printing, digital printing or doming. Minimum order: 50 pieces (colours and sizes combined). Suitable for companies, clubs, associations, events and promotional gifts.
