DESCRIPTION

Heddow inflatable travel pillow designed for on-the-go comfort. Integrated inflate/deflate system made from 50% PET and 50% TPU, measuring 48 x 32 cm with a U-shape to support the neck during journeys. The pillow shows visible seams and a soft finish suggesting a slightly textured feel; it comes with a matching pouch for storage. Available in several colours, for example Blue and Stone Grey. Minimum order: 50 pieces (colours and sizes combined).

The unit features an integrated valve and a front pop-stud closure to secure it around the neck. Its inflatable construction allows adjustable support and compact storage when deflated; follow the manufacturer's care instructions for maintenance.

Customisation available by DTF printing, screen printing on objects, multicolour transfer or flex. Suitable for companies, sports clubs, associations, events and individuals looking for a personalised travel accessory.
