Reference	2544
Composition	PC
Material	PC
Average weight	0.033
Dimensions	14 x 5.5 x 12CM
Country of origin	China
Carton	300 pieces

DESCRIPTION

The Shine sunglasses feature a sporty PC frame and a single wraparound lens designed to sit close to the face for secure wear during outdoor activities. They include a moulded nosepiece and contoured temples to reduce slipping, while the lens provides UV400 protection — suitable for sports and promotional outdoor use.

The shield-style lens offers a wide field of view and good lateral protection, useful for cycling, running or event staff. With compact dimensions (14 x 5.5 x 12 cm) they store easily. The PC material is impact-resistant and requires only simple care with water and a microfibre cloth.

These personalised sunglasses can be decorated using doming, digital printing or pad printing depending on the chosen area. Minimum order: 150 pieces (colours and sizes combined). Ideal for companies, sports clubs, associations and promotional events; our design studio can retouch or vectorise your logo before production.
