Average weight	0.033
Dimensions	14 x 4 x 12CM
Country of origin	China
Carton	300 pieces

DESCRIPTION

The Yuma sunglasses feature a sporty wraparound design in lightweight PC with mirrored lenses providing UV400 protection. The full-frame construction and curved temples offer a close, comfortable fit for outdoor activities; dimensions 14 x 4 x 12 cm. Care is straightforward—clean lenses with a microfibre cloth.

The streamlined shape limits side light intrusion, making these glasses suitable for running, cycling and outdoor promotions. The model is offered in several colours, such as Black, Turquoise and Lime, and presents a clean finish adapted to bulk distribution.

These personalised sunglasses can be branded using doming or pad printing depending on the desired result. Ideal for companies, sports clubs, associations and promotional events, they are not available per piece: minimum order 150 pieces (colours and sizes combined) — lower quantities may be possible with additional fees. Our design studio can prepare or vectorise your logo for marking.
