DESCRIPTION

The Smokey barbecue set comprises three essential stainless-steel tools — spatula, fork and tongs — each fitted with oak handles and presented in a kraft box with lid. Designed for outdoor use, the wooden handles offer a natural grip and balance with the metal heads. Compact overall dimensions (40x7x5cm) make the set easy to transport and store. The product is available in 1 colour: wood.

Visible details include riveted handles with hanging cords and smoothly finished steel edges suitable for food contact. The kraft box protects the utensils while providing a neat presentation for events or corporate gifting.

Minimum order: 10 pieces (colours and sizes combined). Personalisation options: screen printing on objects and laser engraving, ideal for adding a logo or short message. Recommended for companies, sports clubs, associations, events and private customers seeking a practical personalised barbecue accessory.
