DESCRIPTION

This Camembert gift set comprises three serving knives and one fork with stainless steel blades and rubberwood handles, designed for comfortable handling and cheese presentation. Housed in a compact 17x17x2cm box, the set is practical for serving a variety of cheeses; the wooden handles give a natural look and good grip. Clean blades by wiping and follow care recommendations for wooden handles.

The rounded handles and relatively short blades favour manoeuvrability for slicing, picking up and serving different textures. Some knives feature perforations to reduce sticking with soft cheeses, while the fork holds pieces securely when serving.

This personalised gift set can be marked by screen printing (DTF not applicable), laser engraving or pad printing. Minimum order: 10 pieces (colours and sizes combined). Suitable for companies, clubs, associations, events and customer gifts. Our studio can retouch or vectorise your logo and include it in the marking; free quote within 24 hours on weekdays.
