DESCRIPTION

The Kolapso collapsible silicone lunchbox holds 1200 ml and is designed for everyday meal transport. This unisex product features a flexible silicone body with a PP lid and a silicone valve, making it lightweight, easy to clean and space-saving when folded. Dimensions are 21 x 13 x 7 cm, suitable for bags and lockers and convenient for regular use.

The photo shows a lid with snap clips for a secure seal and a central valve to release air or steam. The foldable sides reduce bulk when empty and the flat lid allows neat stacking. Available in several colours, for example Black, Stone Grey and Baby Blue.

This personalised lunchbox can be customised by digital printing, pad printing (tampography) or doming depending on the desired finish. Recommended for companies, sports clubs, associations, events and private customers looking for a practical reusable item. Minimum order: 30 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
