## DESCRIPTION

The Sinn duffel is made from RPET-cotton recycled fabric (80% recycled cotton, 20% recycled polyester) at approximately 320 g/m², with dimensions 50x25x25 cm. Its cylindrical shape and long carrying straps make it practical for travel and sports use, offering roomy capacity while remaining easy to carry. The recycled canvas gives a sturdy yet flexible feel. Care is straightforward: spot clean and air dry.

Practical details include a zipped side compartment and an internal zipped pocket to separate shoes or small items. A full-length top zip secures the main compartment; visible stitching and simple trims deliver reliable day-to-day performance.

This personalised duffel is available from a minimum order of 20 pieces. Customisation options include screen printing on items (screen printing), multicolour transfer, DTF printing and flex. Well suited to companies, clubs, associations, events and corporate gifts; free quote within 24 hours on weekdays and production managed from our Evere workshop.
