DESCRIPTION

Insulated bag in recycled cotton, designed for carrying food and drinks with 3 mm PE foam insulation and a PEVA lining. Its square profile (18x14x30 cm) provides useful capacity without bulk, a top carry handle for hand transport and a roll-top with hook-and-loop fastening for easy access. The bag is offered in several colours, for example black, royal blue or white.

The Recoba Colour model features an external patch pocket for quick storage and a flat base that helps it stand upright. Visible seams and a reinforced handle give it the robustness needed for repeated use; the PEVA interior is easy to clean by wiping. Well suited for commuting, picnics and packed lunches.

Have this personalised sports and outdoor bag printed using screen printing (object), multicolour transfer, DTF printing or flex to display your logo. Suitable for companies, sports clubs, associations, events and private customers. Minimum order: 25 pieces (colours and sizes combined).
