DESCRIPTION

Magnetic phone stand made from recycled ABS, circular and slim (Ø5.8 x 0.42 cm). It serves as a grip and a fold-out kickstand to prop your phone in landscape for video calls or media. The unisex design gives a secure hold and stable support for everyday use. Easy to clean thanks to its plastic shell and offered in several colourways, for example black and white.

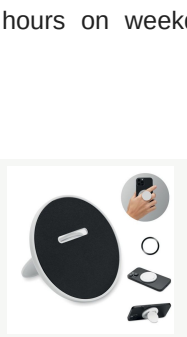

The product includes an additional metal ring to work with non-magnetic phones. Its low-profile finish and compact dimensions make it suitable for desks and travel, slipping easily into a bag or pocket.

This personalised accessory can be decorated by digital printing or tampography. Ideal for businesses, clubs, associations and events looking for branded giveaways. Minimum order: 300 pieces (colours and sizes combined). Free quotation within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
