DESCRIPTION

Insulated bag made from RPET, designed for carrying meals and drinks during outdoor activities. Constructed with 600D RPET, 3 mm PE foam insulation and a PEVA lining, it delivers thermal protection in a compact 24 x 12 x 25 cm format. The roll-top shape and top handle make it easy to carry and store.

The bag features a roll closure secured by a PU strap and buckle, plus a carrying handle. Reinforced side seams and a flat base ensure the bag keeps its shape when filled. Available in several colours, it is suitable for everyday use, short trips and event catering.

Customisable by DTF printing, flex, screen printing and multicolour transfer, this bag is suitable for companies, sports clubs, associations and events looking for a practical, recyclable promotional item. Minimum order: 25 pieces (colours and sizes combined) — not available as single items.
