DESCRIPTION

Insulated cooler bag with a 16-litre capacity, designed for carrying food and drinks for events, trips or deliveries. Constructed from PVC with a rigid PEVA top and base and a PE foam insulation layer, it combines structural stability with practical thermal protection. The bag closes with a double-zip and is easy to wipe clean.

The Coolin model features a front pocket and an internal mesh pocket for small items and ice packs, plus a side bottle opener. It includes two carry handles and an adjustable, removable shoulder strap for versatile carrying. Dimensions: 33 x 25.5 x 20 cm, with a rigid base for steady placement.

Suitable as a personalised sports and outdoor bag for companies, clubs, associations, events and individuals. Customisation by screen printing (screen printing on objects) is available. Minimum order: 2 pieces (colours and sizes combined) — smaller quantities can be arranged with additional fees. Free quote within 24 hours on weekdays; in-house graphic studio to vectorise or retouch your logo; collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
