DESCRIPTION

Double-walled tumbler made from recycled stainless steel, designed for hot or cold drinks with an 850 ml capacity. The stainless construction provides thermal retention and durability while remaining easy to carry and hand-wash. This personalised tumbler is offered in several colours, for example Black, White or Navy Blue.

The Suma Hand model has a tall, tapered profile (Ø8.5 x 23.5 cm) that fits most cup holders. The lid features an internal straw, a foldable spout and a drinking opening for direct use, and a strap handle for easy transport. The product is advertised as leak-resistant and includes a visible stainless band below the lid for a refined finish.

We can customise this item by digital printing, laser engraving, screen printing on objects or pad printing depending on the desired look.
