DESCRIPTION

This single-wall bottle in recycled stainless steel (500 ml, Ø7x18cm) is designed for everyday use: compact cylindrical shape, screw cap with a metal carry handle and a leak-resistant closure. As a single-wall container, some heat transfer between the contents and the outer surface may occur.

The Florence Sing model features a clean, streamlined finish that makes cleaning straightforward. It is offered in several colours, for example black, blue or matt silver. Please note the product carries a minimum order of 25 pieces (colours and sizes combined).

Customisation is available by digital printing, laser engraving, screen printing on objects, pad printing or sublimation. Practical for companies, clubs, associations, schools and individuals seeking a personalised bottle for promotional gifts, events or staff use. Free quote within 24 hours on weekdays and our studio can retouch or vectorise your logo.
