DESCRIPTION

Set of two writing instruments made from recycled aluminium: a push-ball pen (blue ink) and a graphite pen without ink, presented in a recycled paper box. The compact presentation box (17.3 x 5.2 x 2.2 cm) and slim aluminium bodies deliver a lightweight, balanced feel suitable for professional use, events or corporate gifting. Maintenance is simple — wipe with a soft cloth.

The box protects and showcases the pair; the pens feature a discreet clip and a clean, matte finish as shown. The slim profile makes the set easy to carry in a bag or keep on a desk, offering practicality without bulk.

These personalised pen options can be branded by DTF printing, screen printing on objects, laser engraving or pad printing. Minimum order: 100 pieces (colours and sizes combined). Ideal for companies, associations, clubs and events seeking a useful, sustainable giveaway. Our studio can adjust or vectorise your logo for the artwork included in the quote.
