Personalised apron in RPET recycled cotton with a straight cut and full coverage (65 x 90 cm), suited to professional kitchens and hospitality. The recycled cotton/polyester blend gives a cotton-like feel while lowering material impact; available in several colours including black, white and navy. Note that this model may shrink slightly after printing.

The image shows a simple apron without pockets, featuring a fixed neck strap and long side ties for easy adjustment. Clean, functional finishes and visible seams provide durability for everyday use. Care should follow guidance appropriate to the RPET/cotton mix after decoration.
