| **Carton** | 20 pieces |

## DESCRIPTION

The Blendie portable mixer is a kitchen utensil designed for making smoothies and juices on the go. It features two removable 400 ml cups, a 6-blade assembly and a 1200 mAh USB-rechargeable battery, all made from BPA-free PCTG. At Ø8 x 19.5 cm, the Blendie is compact, easy to handle and the detachable parts simplify cleaning after use.

The motorised base houses the charging port on the front and accepts the cups which screw in for blending; each cup closes with a lid fitted with a carry strap for transport. The six blades are suitable for chopping soft fruit and vegetables, and the removable design helps with manual washing. Note: this item is available from a minimum order of 10 pieces.

Branding is possible by tampography, making the Blendie a practical promotional gift for businesses, clubs, associations, events and corporate giveaways. Orders are processed per batch (minimum 10 pieces) and marking can be applied to the base or the cup depending on your layout. personalised blender bottle
