DESCRIPTION

This 750 ml RPET bottle, model Tottle, is designed for everyday use. Its slim cylindrical shape (Ø7 x 24.5 cm) makes it easy to carry and store, and the screw cap with a flip spout shown in the photo provides convenient access. Made from RPET, it is not suitable for carbonated drinks. The bottle comes in several colours, for example black, blue or white.

The PP cap provides a secure closure and a small flip drinking spout so you can sip without fully unscrewing the lid; the smooth walls aid easy cleaning. Its narrow profile fits most cup holders and sports bags, making it practical for events and daily activities.

A personalised bottle can be marked by digital printing, screen printing on objects, pad printing or doming depending on the desired finish. Minimum order: 10 pieces (colours and sizes combined). Suitable for companies, clubs, associations, events and private customers. We offer a graphic studio to vectorise or retouch your logo, free quotes within 24 hours on weekdays, standard production in 10 working days or 24-hour express for items in stock, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
