DESCRIPTION

This PU soft sports bag (model Camp) features a rounded silhouette and a compact capacity of 44 x 27 x 28 cm, suitable for short trips and athletic use. The PU exterior with a foam-reinforced base gives the bag structure and protects contents. It is lined with 210D RPET polyester, which is easy to care for. Two top handles and an adjustable, removable shoulder strap allow for comfortable hand or shoulder carry.

The bag includes a main zippered compartment and a vertical zip pocket on the front for quick access to small items. Visible seams and clean lines in the photo point to a minimal, utilitarian construction. The foam-reinforced bottom helps keep the shape and protects items when the bag is placed on the ground.

This personalised travel bag can be customised using screen printing on objects or embossing, depending on the desired finish. Suitable for companies, sports clubs, associations, events and individuals seeking a promotional or personalised gift. Minimum order quantity: 8 pieces (colours and sizes combined). Our design studio can retouch or vectorise your logo for marking.
