DESCRIPTION

A5 hard-cover notebook measuring 14.5 x 21 cm, designed for everyday note-taking. The cover is made from recycled milk carton and protects 160 lined pages (80 sheets) of recycled paper; the flat binding allows writing close to the edge. It features an elastic closure and an integrated bookmark ribbon that matches the colour revealed after laser engraving. The notebook carries FSC® credentials (FSC MIX CREDIT) for responsible sourcing.

Practical details include a rigid hard cover for durable use, a compact 1.2 cm spine and a ribbon marker for quick page reference. The recycled-board finish gives a restrained, professional look suited to meetings, field work and conferences. Care is straightforward: keep dry and avoid moisture to preserve the paper and cover.

Personalise this personalised notebook for companies, sports clubs, associations, schools and events. Available marking methods: laser engraving, screen printing on objects, embossing, pad printing and digital printing. Minimum order: 25 pieces (colours and sizes combined). Our studio can retouch or vectorise your logo if required.
