DESCRIPTION

The Honolulu flip-flop is a lightweight beach shoe made of EVA with PVC straps, offered in two sizes (M fits EU 36-39 and L fits EU 40-43). Its flat, flexible sole provides comfortable wear at the beach or poolside, and the EVA material is easy to rinse and care for. The style comes in several colours, such as black, blue or red.

The photo shows the classic toe-post design with a slim strap and a rounded, low-profile sole (dimensions 20x26x1.3 cm). Construction is minimal — welded strap and one-piece sole with no fastenings — giving a straightforward, low-maintenance product that’s easy to store and transport.

Customisation is available by tampography (pad printing). The Honolulu flip-flop suits events, clubs, associations, companies and promotional giveaways. Minimum order: 25 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your logo before printing. personalised flip-flops
