DESCRIPTION

A Fairtrade cotton shopping bag with a flat cut and practical dimensions (38x42 cm), ideal for carrying brochures, light shopping or event materials. The long handles allow comfortable shoulder wear and the 180 g/m² canvas gives a manageable, foldable structure. The range comes in several colours, for example Black, White and Turquoise, and a Fairtrade tag is stitched to the side to indicate its responsible sourcing.

Simple, neat finishing: straight seams and handles attached at the top for even load distribution. Easy care in the washing machine at low temperature (see product label). The square shape provides a generous printing area without reducing usable capacity.

This personalised shopping bag can be printed by screen printing, multicolour transfer, flex or DTF printing and suits companies, clubs, associations, schools, youth movements and promotional events. Minimum order: 100 pieces (colours combined). Free quote in 24 hours on weekdays and our studio can retouch or vectorise your logo.
